MOBILE LITE

WHEELED CASE

Model #C9020

The MOBILE LITE'S portability makes this case popular among business travelers. One of the lightest cases on the market, at only 7 lbs. 1.6 oz., this case is spacious, with multiple compartments for organization. A top carry handle and case bottom grab-handle ensure ease in lifting the Mobile Lite into overhead compartments. A convenient wheelie strap allows for stacking with other carry-on luggage.

PRODUCT FEATURES

1050D ballistic nylon and leather makes this case extremely lightweight and durable

Telescoping twin tube handle for stability and easy towing

Business organization system located in the front compartment

Computer compartment includes a padded removable notebook sleeve that accomodates most 15.4" wide screens

Pyramid shaped pockets provide easy access to cell phones, boarding passes and PDAs

Grab-handle molded into case bottom assists with ingress/egress along with padded top carry handle

In-line wheels are positioned at corners for uncompromised stability
